Policy Servicing Department

Dear Policyholder,

This is a reminder regarding your household contents policy. The current term is approaching its end and the policy will lapse unless it is renewed.

Renewal due 14 October 2027.

Please review the enclosed schedule and confirm that the sums insured still reflect the contents of your home. Any change should be notified in writing before renewal so that the schedule can be amended.

Payment can be made through the usual channels. A receipt will follow.

Yours faithfully,  
Policy Servicing Team

Enclosure: Schedule of contents

The schedule lists the categories of contents covered under the policy and the limits applicable to each. Where an item exceeds the single-article limit it should be declared separately.

This page contains no further action items.
